

## Transcript to DYS Career Video

Our mission at the Alabama Department of Youth Services is to enhance public safety by rehabilitating justice involved youth through educational and vocational services, treatment and counseling, social skills development, and job readiness.

We help youth get back on track fostering the skills needed. For successful transition back to their community through accountability, education, and rehabilitation, our work changes lives. We're offering positions including frontline custody staff and security managers and specialists and nurses and treatment professionals.

We are looking for individuals who have an understanding and appreciation for the developmental needs of young people. It is through the relationships with quality staff that our programs are able to challenge them to see themselves and their future differently and give them hope.

If you are looking for a position or a career in juvenile justice with the Alabama Department of Youth Services, and you're serious about being part of a team focused on changing the lives of young people in Alabama. We invite you to apply at [personnel.alabama.gov](https://personnel.alabama.gov) for one of our many opportunities.
